Mr. Stratton was a Benningtonian by birth and had always resided here. He had been employed by the Bennington Paper Box company for about nine years, having held the position of superintendent since the death of Charles Wood about 5 years

In 1896 he married Miss Belle Crawford. He was a member of Stark Lodge, I. O. O. F. for a period of 20 years, but recently withdrew. He was at the time of his death a member of Bennington lodge of Elks.

At the time of the Spanish-American war he was first Lieutenant of Company K, V. N. G. While the Ver mont troops were in camp at Fort Ethan Allen Mr. Stratton was acci dently wounded in the left leg by the discharge of a revolver. The wound necessitated the amputation of the leg, below the knee.

Mr. Stratton was a man who was well liked by all who knew him and his many friends will be grieved to learn of his sudden death. Sincere sympathy is extended to his family. Surviving are his widow, his mother, Mrs. Henrietta Stratton, two children, Earl and Jessica, one sister, Mrs. Lyman Beech of Bennington and one brother, Newman Stratton of Ballston, N. Y.

The funeral arrangements have ot yet been completed.

WHEN you walk or stand do your feet ache? Then wear this patented \_oublebending shoe which allows the arch to become strong, the muscles active. the body weight to fall on the outside of the foot, and with our pivot heel the toes swing inward, which cures all foot troubles and flat foot. Shoes with stiff arches cause weakness like a crutch. "Long inside" heels and plates are a "prop" and can be discarded as once. Men, women and children can walk and run as in childhood wi h comfort and health. In walking hold the feet parallel, a weak foot falls on the inner arch causing flat foot. Send at once for medical Book, doctors' letters, etc., postage paid. We can give you comfort and cure not possible in any shoe in the United States. One doctor writes:-"I have used the Ground Gripper with unsurpassed results in conditions of weakened muscles and ligaments of the foct, broken arches and nerve affections, due to faulty position of the foot in walking." We make a careful study of your feet as we realize that the correct shoe is essential. Doctors' patients receive special care and attention.
